World Class Riders

---

Dear World Class Riders,

Anchor House Inc. greatly appreciates your donation of a picnic complete with hot dogs, chips and soda for the 2012 Hogs and Dogs. The kids had a fun filled day enjoying a picnic with all of the riders and had a great time voting on who had the best bike. It was truly a memorable afternoon for all. In addition to the fun afternoon you provided for the kids at Anchor House, we would also like to thank you for your donation of \$240.00. We look forward to this picnic every year. In this difficult economic climate, Anchor House is grateful for your commitment to those less fortunate in the community.

For 34 years now, Anchor House has been able to effectively work with children, youth and families in crisis. We would be unable to do this without the support of generous individuals like you.

Thank you for supporting our mission to work with homeless, runaway and abused children and youth to enable them to utilize their strengths and the support of their families and communities to help ensure a stable and successful home.

Sincerely,

Kim McNear  
Executive Director
