WORLD CLASS RIDERS SUPPORTS 75TH RIDE TO WORK WEEK
Courtesy of World Class Riders

Bordentown, NJ- — World Class Riders is supporting Ride to Work Week along with Ride to Work (www.ridetowork.org a Minnesota-based 501(c)(4) charitable organization devoted to increasing awareness of motorcycling as a transportation alternative). This year the 25th annual Motorcycle and Scooter Ride to Work Day is Monday, June 20th. Over a million workers will commute with their motorcycles and scooters to demonstrate the societally positive benefits of these vehicles.

Studies have shown the public benefits of motorcycle and scooter commuting include:

- Providing increased numbers of parking spaces for everyone else, because several fit in each space.
- Consuming less resources per mile per commuter than automobiles.
- Reducing traffic congestion and saving travel time for everyone.
- Riders being more alert and engaged than drivers arriving at work via automobile.

Motorcycle and scooter riders seek both government and employer support for riding's broad benefits. Over 150 American cities have already proclaimed support for Ride to Work Day.

Ride to Work Day is a popular way to showcase this socially responsible (and enjoyable) form of utility transportation.

.....

World Class Riders is an A.M.A. sanctioned "cruiser oriented" motorcycle club mostly from Mercer, Monmouth, Middlesex and Ocean Counties of N.J. Formerly, we were Chapter 0013 Mercer County H.O.G.®, which was in existence from May 9, 2002 until being disbanded July 8, 2009 after our sponsoring dealership (Trenton World Class H.-D.) closed.
