Mark your calendar for the St. Baldrick's fundraising event at AmalFi's, 146 Lawrenceville-Pennington Road, Lawrenceville, NJ on March 11th. The World Class Riders team lead by Al will again participate in this head shaving event to raise funds for childhood cancer research. Al Ari has joined the ranks of the Knights of the Bald Table: "Be it known to all that this participant has dedicated at least seven years of service to the St. Baldrick's Foundation helping kids with cancer throughout all the land." We've got a "World Class Riders" team that others can join if they're so inclined and are also open for online donations. The link is: <https://www.stbaldricks.org/participants/mypage/888104/2017>.

What is the St. Baldrick's Foundation?

Nope, it's not a foundation started by a saint with the unfortunate nickname "Bald Rick." St. Baldrick's is a charity with a funny name that does one thing and does it well. We fund grants for childhood cancer research through head-shaving events and other fundraisers across the globe, so kids with cancer can live long, healthy lives. <http://www.stbaldricks.org>
